## Ingredients:

- 2 oz whiskey or vodka
- 2 oz cranberry juice
- 1/2 oz grapefruit juice
- 1/4 oz lime juice
- 2 oz ginger beer
- \*garnish: starfruit and lime slices

## Instructions:

1. Combine all ingredients (except for ginger beer) with ice, and stir well.
2. Strain the drink over fresh ice. Top off with ginger beer. You can add more or less than 2 oz of ginger beer, to taste.
3. Garnish the rim of your glass with a starfruit slice. Add a lime wheel to the drink for an additional garnish.

## Notes:

- If you omit grapefruit, increase the amount of lime juice from 1/4 to 1/2 oz.
- If possible, always use freshly squeezed fruit juice.
- If you have fresh herbs (mint, rosemary, or Thai basil), garnish your drink with some for an aromatic finish!
